miRBaseConverter

RRID:SCR_023873

Type: Tool

Proper Citation

miRBaseConverter (RRID:SCR_023873)

Resource Information

URL: <https://bioconductor.org/packages/miRBaseConverter/>

Proper Citation: miRBaseConverter (RRID:SCR_023873)

Description: Software R package for converting and retrieving information of miRNAs in different miRBase versions. Used for converting and retrieving miRNA Name, Accession, Sequence, Version, History and Family information in different miRBase versions. Can process huge number of miRNAs in short time without other depends.

Resource Type: software resource, software application, data processing software, data analysis software

Defining Citation: [PMID:30598108](#)

Keywords: converting and retrieving miRNAs information, miRNAs information, different miRBase versions, miRNA Name, miRNA Accession, miRNA Sequence, miRNA Version, miRNA History, miRNA Family, miRNA

Funding: Australian Research Council Discovery Project ;
National Health and Medical Research council ;
Presidential Foundation of Hefei Institutes of Physical Science ;
Chinese Academy of Sciences ;
National Natural Science Foundation of China ;
Applied Basic Research Foundation of Science and Technology of Yunnan Province ;
Shanghai Key Laboratory of Intelligent Information Processing China

Availability: Free, Available for download, Freely available

Resource Name: miRBaseConverter

Resource ID: SCR_023873

Alternate URLs: <https://github.com/taoshengxu/miRBaseConverter>

License: GPL

Record Creation Time: 20230725T050218+0000

Record Last Update: 20260817T040700+0000

Ratings and Alerts

No rating or validation information has been found for miRBaseConverter.

No alerts have been found for miRBaseConverter.
