tfbstools

RRID:SCR_024260

Type: Tool

Proper Citation

tfbstools (RRID:SCR_024260)

Resource Information

URL: <https://bioconductor.org/packages/TFBSTools/>

Proper Citation: tfbstools (RRID:SCR_024260)

Description: Software R package for analysis and manipulation of transcription factor binding sites. It includes matrices conversion between Position Frequency Matirx (PFM), Position Weight Matirx (PWM) and Information Content Matrix (ICM). It can also scan putative TFBS from sequence/alignment, query JASPAR database and provides a wrapper of de novo motif discovery software.

Synonyms: TFBSTools

Resource Type: software resource, software toolkit

Defining Citation: [PMID:26794315](#)

Keywords: analysis and manipulation of transcription factor binding sites, transcription factor binding sites analysis, transcription factor binding sites manipulation,

Availability: Free, Available for download, Freely available,

Resource Name: tfbstools

Resource ID: SCR_024260

Alternate IDs: OMICS_11082

Alternate URLs: <https://sources.debian.org/src/r-bioc-tfbstools/>

Record Creation Time: 20230830T050217+0000

Record Last Update: 20260829T182910+0000

Ratings and Alerts

No rating or validation information has been found for tfbstools.

No alerts have been found for tfbstools.
