MHCnuggets

RRID:SCR_028674

Type: Tool

Proper Citation

MHCnuggets (RRID:SCR_028674)

Resource Information

URL: <https://github.com/KarchinLab/mhcnuggets>

Proper Citation: MHCnuggets (RRID:SCR_028674)

Description: Software tool that predicts how protein pieces bind to Major Histocompatibility Complex (MHC) molecules. It uses deep learning to process peptide sequences, handle variable lengths, and evaluate both common and rare alleles. Used to predicts peptide-MHC binding. Can predict binding for common or rare alleles of MHC class I or II with a single neural network architecture.

Resource Type: software application, software resource, source code

Defining Citation: [PMID:31871119](#)

Keywords: MHC Class I and Class II neoantigen binding prediction, predict peptide-MHC binding,

Funding: Dutch Cancer Society International Translational Cancer Research ;
NCI CA006973;
NCI CA121113;
NCI CA180950

Availability: Free, Available for download, Freely available
