Crl:WI(Han)

RRID:RGD_2308816

Type: Organism

Proper Citation

RRID:RGD_2308816

Organism Information

URL: <https://rgd.mcw.edu/rgdweb/report/strain/main.html?id=2308816>

Proper Citation: RRID:RGD_2308816

Description: Rattus norvegicus with name Crl:WI(Han) from RGD.

Species: Rattus norvegicus

Notes: Rederived by GlaxoWellcome from Han Wistar stock supplied by BRL (under structural changed to RCC). Transferred to Charles River UK in 1996. Transferred to Charles River in 1997 and rederived into isolator maintained Foundation Colony. IGS refers to animals bred using the Charles River International Genetic Standard system. [Charles River Laboratories](#)

Catalog Number: 2308816

Background: outbred

Database: Rat Genome Database (RGD)

Database Abbreviation: RGD

Availability: Unknown

Alternate IDs: 2308816

Organism Name: Crl:WI(Han)

Record Creation Time: 20230509T191937+0000

Record Last Update: 20260905T135222+0000

Ratings and Alerts

No rating or validation information has been found for Crl:WI(Han).

No alerts have been found for Crl:WI(Han).
