[Irf4^{tm1Mak}](#)/[Irf4^{tm1Mak}](#)

RRID:MGI:3584108

Type: Organism

Proper Citation

RRID:MGI:3584108

Organism Information

URL:

Proper Citation: RRID:MGI:3584108

Description: Allele Detail: Targeted This is a legacy resource.

Species: Mus musculus

Notes: Allele Detail: Targeted This is a legacy resource.

Phenotype: abnormal immune system cell morphology, decreased immunoglobulin level, increased susceptibility to viral infection, abnormal immune system physiology, absent plasma cells, abnormal B cell differentiation, abnormal spleen morphology, immune system phenotype, enlarged spleen, decreased T cell proliferation, decreased B cell proliferation, increased lymphocyte cell number, arrested B cell differentiation, absent spleen germinal center, abnormal lymph node morphology, enlarged lymph nodes, absent lymph node germinal center, decreased dendritic cell number, altered tumor susceptibility

Affected Gene: Irf4

Genomic Alteration: tm1Mak

Catalog Number: 3584108

Background: involves: 129P2/OlaHsd

Database: MGI, Mouse Genome Informatics MGI

Database Abbreviation: MGI

Availability: Availability unknown check source stock center

Source References: [PMID:15184678](#), [PMID:21419662](#), [PMID:8999800](#)

Organism Name: Irf4^{tm1Mak}/Irf4^{tm1Mak}

Record Creation Time: 20240120T190625+0000

Record Last Update: 20240130T202019+0000

Ratings and Alerts

No rating or validation information has been found for Irf4^{tm1Mak}/Irf4^{tm1Mak}.

No alerts have been found for Irf4^{tm1Mak}/Irf4^{tm1Mak}.
