RCCHan:WIST

RRID:RGD_149735906

Type: Organism

Proper Citation

RRID:RGD_149735906

Organism Information

URL: <https://rgd.mcw.edu/rgdweb/report/strain/main.html?id=149735906>

Proper Citation: RRID:RGD_149735906

Description: Rattus norvegicus with name RCCHan:WIST from RGD.

Species: Rattus norvegicus

Notes: Wistar Hannover rats are derived from the Han:WIST strain from the Zentral Institut fur Versuchstierzucht (ZfV) (Hannover, Germany). In 1989, 156 pairs were introduced from ZfV to the Institute for Biomedical Research (IBM) in Switzerland (IBM underwent a structural change [name change] to BRL Ltd. and RCC Ltd.)

Catalog Number: 149735906

Background: outbred

Database: Rat Genome Database (RGD)

Database Abbreviation: RGD

Availability: Unknown

Alternate IDs: 149735906

Organism Name: RCCHan:WIST

Record Creation Time: 20230509T191950+0000

Record Last Update: 20260829T184956+0000

Ratings and Alerts

No rating or validation information has been found for RCCHan:WIST.

No alerts have been found for RCCHan:WIST.
