Protocol Information

URL: <https://dx.doi.org/10.17504/protocols.io.bjxukpnw>

Authors: Angel Justiz-Vaillant, Monica F. Smikle

Group: University of the West Indies, angel.vaillant@sta.uwi.edu

Summary: Referencesst protein LA (SpLA) is an immunoglobulin-binding protein that interacts with the Fab and Fc regions of many mammalian immunoglobulins [1].References1.Vaillant AJ, McFarlane-Andersonv N, Wisdom B, Mohammed W, Vuma S, et al. (2013) Immunoglobulin-binding Bacterial Proteins (IBP) Conjugates and their Reactivity with Immunoglobulin in Enzyme-Linked Immunosorbent Assays (ELISA). J Anal Bioanal Tech 4: 175. doi:10.4172/2155-9872.1000175

Affiliations: University of the West Indies St. Augustine, University of the West Indies. Mona Campus

Version: 1

Publication Date: 2020
