Protocol Information

URL: <https://dx.doi.org/10.17504/protocols.io.vbne2me>

Authors: Katy Monteith

Group: Vale Lab

Summary: This protocol describes how to grow an overnight culture of bacteria in LB (Luria-Bertani) liquid media broth. The overnight culture can be used directly, reinoculated into a larger volume of LB broth or plated to acquire either a lawn of bacterial growth or single isolated colonies.
